

Your Mission!

Name: _____

A new student is arriving at school can you spot the tool their using that helps them every day?

- What tool are they using? _____
- How does it help them? _____

You welcome them getting out of the car, what are some things you might do as they arrive at the school to include them?

Draw your answer

Remember: The best way to help is to ask, "**Would you like any help?**" and respect their answer.
