

Create Your Own Weaving Loom

Name: ____

Materials

- ☐ Cardboard (10 cm × 10 cm)
 - ☐ Ruler
 - ☐ Pencil
 - ☐ Scissors
 - ☐ Yarn or String
-

Step 1: Prepare Your Cardboard

Cut a square piece of cardboard measuring **10 cm × 10 cm**.

- ☐ Completed
-

Step 2: Mark the Notches

Using a ruler, make small marks along the **top and bottom edges** of the cardboard, spacing them about **1 cm apart**.

- ☐ Completed
-

Step 3: Cut the Notches

Carefully cut small notches at each mark on the top and bottom edges.

- ☐ Completed
-

Step 4: Add the Warp Strings

Tie one end of the yarn to the first notch. Stretch the yarn down to the matching notch on the bottom and wrap it around.

- ☐ Completed
-

Step 5: String the Loom

Continue wrapping the yarn from top to bottom until all notches are connected with straight vertical lines.

☐ Completed

Step 6: Secure the Yarn

Tie the yarn securely at the last notch.

☐ Completed

Step 7: Begin Weaving

Using a new piece of yarn:

- Go **over** one string.
- Go **under** the next string.
- Repeat across the loom.

☐ Completed

Step 8: Weave the Next Row

For the next row, do the opposite pattern:

- If you went over a string before, go under it now.
- If you went under a string before, go over it now.

☐ Completed

Step 9: Finish Your Weaving

Keep weaving until your loom is full. Carefully remove your weaving from the loom and tie the loose ends together.

☐ Completed
